FOR IMMEDIATE RELEASE
July 7, 2006

CD CONTAINS LATEST HYSON PRODUCTS LITERATURE

Brecksville, OH—Hyson Products introduces the latest edition of the Source for Force™, a CD that brings all the company's product literature to you with the simple click of a mouse.

The CD incorporates information on the complete product line including Super Tanker® high performance nitrogen gas springs, all 11 models in the T3 Series, T2 self-contained gas springs, Nitro-Dyne® XP manifolds, Dyne-A-Cam® Series of cams, DRAC® delay return manifolds, and the LCF® Force Manager Series.

A special section, New Products, is included and features the T2 Mini Series brochure that introduces the one-half-inch diameter T2-50 model and the T2SS2 Series of nitrogen gas stripper springs as well as the CS2 controllable gas springs brochure, the TNKMAN® Distribution Block data sheet and much more.

A registration form is included on the CD. Once completed, it can be submitted by email or fax. All who register receive updates automatically.

Hyson Products is a division of Associated Spring, a business unit of Barnes Group Inc. (NYSE:B) Hyson Products designs and manufactures Super Tanker® high performance gas springs, and T2 and T3 standard gas springs; Nitro-Dyne® XP manifold systems and accessories; the Dyne-A-Cam® Series of cams, and the DRAC® Series of delayed return manifolds in an ISO 9001-2000 certified facility.

Barnes Group Inc. (www.barnesgroupinc.com) is a diversified international manufacturer of precision metal components and assemblies and a distributor of industrial supplies, serving a wide range of markets and customers. Founded in 1857 and headquartered in Bristol, Connecticut, Barnes Group consists of three businesses with 2005 sales of \$1.1 billion: Barnes Distribution, an international, full-service distributor of maintenance, repair, operating and production supplies; Associated Spring, one of the world's largest manufacturers of precision mechanical and nitrogen gas springs and a global supplier of retaining rings, reed valves, shock discs, and injection-molded plastic components; and Barnes Aerospace, a manufacturer and repairer of highly engineered assemblies and components for aircraft engines, airframes, and land-based industrial gas turbines. Over 6,000 dedicated employees at more

than 60 locations worldwide contribute to Barnes Group Inc.'s success.

For more information and a copy of the new CD, contact Hyson Products, 10367 Brecksville Road, Brecksville, OH 44141, Telephone: 1-800-876-4976 or 440/526-5900, Fax: 440/838-7684, Email: hyson@asbg.com, or visit the website at www.hysonproducts.com.
