## T2SC SERIES BROCHURE UPDATES GAS SPRING MODELS, FLANGES AND ACCESSORIES

Brecksville, OH – Hyson Products issues new literature on the T2 SC Series of sub-compact gas springs, designed to deliver high forces in small areas. Hyson Products is a division of Associated Spring, a business unit of Barnes Group Inc. (NYSE:B)

The twelve-page brochure provides information on dimensions, force ranges, mounting options and ordering for all models. Of special note are the new flanges, FK and BFP, offered for the T2SC-4700 and 7500 models. The T2 SC Series includes seven models, ranging in size from 1 to 6 in. diameter, and 955 to 41370 lb. contact force. Ideal for heavy gauge blanking, piercing, stripping, shallow depth drawing, embossing and knock-out applications, T2 SC gas springs provide a high force in a small space.

Hyson Products designs and manufactures Nitro-Dyne® XP manifold systems and accessories, Super Tanker® high performance gas

springs with dynamic lubrication, T2 standard nitrogen gas springs, the Dyne-A-Cam® Series of cams and the DRAC® Series of delayed return manifolds in an ISO 9001:2000 certified facility.

Barnes Group Inc. ([www.barnesgroupinc.com](http://www.barnesgroupinc.com)) is a diversified international manufacturer of precision components and assemblies and a distributor of industrial supplies, serving a wide range of markets and customers. Founded in 1857 and headquartered in Bristol, Connecticut, Barnes Group consists of three businesses with 2003 sales of \$891 million: Associated Spring, one of the world's largest manufacturers of precision mechanical and nitrogen gas springs and a global supplier of retaining rings and injection-molded components; Barnes Aerospace, a manufacturer and repairer of highly engineered assemblies and products for commercial and military aircraft engines, airframes, and land-based industrial gas turbines; and Barnes Distribution, an international, full-service distributor of maintenance, repair and operating supplies. Over 6,000 dedicated employees at more than 50 locations worldwide contribute to Barnes Group Inc.'s success.
